Continuing students will automatically receive the NRTW by meeting the following requirements:

- 2.0 Cumulative Graduation/Retention GPA
- 75% completion rate of enrolled classes as of the end of the add/drop period

Students who do not meet these standards each term will be placed on probation for one semester. Should the student not meet the above requirements for a second term, the student will no longer be eligible for the Non-Resident Tuition Waiver for the following term. A student will remain on probation until the cumulative Graduation/Retention GPA reaches the above standards.

APPEAL PROCESS:

Should a student lose eligibility for a NRTW due to suspension, an appeal may be made, in writing, to the Coordinator of Scholarships located in the Grady Clack Building. Appeal must state extenuating circumstances and explain how the issues are being addressed.

I understand a full Non-Resident Tuition Waiver includes only a waiver of the non-resident portion of the semester credit hour tuition and that the remaining fees, as paid by Oklahoma residents, still apply. I further understand that my Non-Resident Tuition Waiver is conditionally awarded subject to verification of housing status and a cumulative Graduation/Retention GPA of at least 2.0. Failure to meet any of the conditions stated above will result in the loss of this Non-Resident Tuition Waiver.
